IOWA SHORTHORN ASS'N. FIELD DAY

JUNE 19, 1966

WELCOME TO THE IOWA SHORTHORN ASSOCIATION PICNIC AND FIELD DAY AT WILL-A-DELL FARM, OAKLAND, IOWA, JUNE 19, 1966

The purpose of this brochure is to better acquaint you with the people and the cattle at Will-A-Dell. Purebred Shorthorns are just starting their 46th year on this farm. It was April 18, 1921, at the Omaha sale that Will A. Davis bought three purebred Shorthorn heifers. Thus began a project that was to have a great impact on the lives of the Davises.

Will A. Davis, his wife Della, and their son Lloyd were the family at that time. Come 1929, Lloyd turned "of age" and was taken in as a partner. In choosing a farm or herd name, we thought we more or less had a natural: Will-A-Dell.

In the spring of 1933, Mr. and Mrs. Will A. Davis moved to Oakland and Lloyd and his young wife Merle became the proprietors of Will-A-Dell. The partnership of Will A. Davis and son was carried on until November 1, 1948, when Will A. Davis passed away. His widow still lives in Oakland. Lloyd and Merle have one son, Craig. He and his wife Loretta (Lori) are graduate students at Iowa State University. They have one daughter, Kristi Lynn, born August 2, 1965. It goes without saying that she is Grandpa's favorite "summer yearling." So much for the people — now for the cattle. We have numbered and listed them for your identification. For those of you looking for a big herd we offer our apologies. We have had more cattle — we formerly farmed bigger than now, but, as for the present, it seems that 25 to 30 cows work about right for us.

Since we own Northwood Battleship in partnership with Donald Dugdale and son, Modale, Iowa, and since we are short of 1965 heifers, we have asked them to bring a class of heifers. We didn't have many '65 heifers and we sold some of them before this day was planned.

We hope you enjoy the day.

Sincerely,
Merle and Lloyd Davis

— PAST HERD BULLS —

Our past herd bulls have been—Kickapoo Mohawk Chief, son of Calrossie Highland Chieftain. He was purchased privately from Kickapoo Farms and used with success by us and by Bern-A-Dale Shorthorns, Oakland, Iowa.

—Rockyford Silver Wedding, reserve junior champion at the Royal Winter Fair at Toronto, Canada. He was later used in the Luther Rice herd in Kentucky.

—Sandoon Dividend, purchased in a International Congress sale at \$2750.00. He was later used in Held Brothers herd Hinton, Iowa.

—Braemoor Starry Archer 9th, a son of Mill-hills Starry Archer. He was purchased privately from Carl Retzlaff and Sons, Walton, Nebraska.

—Braedon Band Master, a Canadian bred double grandson of the great imported breeding Bull Collynie Royal Barrage.

—Will-A-Dell Gold Plate, a home bred bull by Brawith Nugget that wrote history for Carl Retzlaff and Sons.

—Sni-A-Bar Silver Plate, twice a first prize winner at the International. Sni-A-Bar Silver Plate wrote history at Will-A-Dell.

—and Villager's Champion, son of the many times champion, Roan Villager. Villager's Champion was purchased from Frank C. Baker Farms of Missouri.

This takes us back quite a ways, but we think it is an indication that through the years we have been interested in good bulls of the best bloodlines.
